## ABOUT ME

I am a communicative and willing to help person.

During work, I'm very precise, accurate and responsible person.

I'm willing to make a compromise if the situation requires it.

Also, I'm very good with organization, task handling, curious and fast learner, extremely motivated to constantly develop my skills and grow professionally.

I love learning new things, implementing new technologies and aware of how much I still need to learn so I can upgrade my knowledge and skills.

## MY EDUCATION

- **2011** - Grammar School Kruševac
- **2018** - Faculty of Sciences and Mathematics - Department of Computer Science, University of Niš

## MY SKILLS

- HTML5
